HOW TO TAKE THE GIFTQUEST INVENTORY

This is not a test with "right" and "wrong" answers. Do not compare yourself with others in determining your selections. Select on the basis of what is personally fulfilling – what brings you deep inner satisfaction and joy. Do not select on the basis of what you think you should be doing or what you wish you had been doing. **WHILE THERE MAY BE CIRCUMSTANCES IN WHICH YOU MAY CHOOSE TO DO ANY OF THE OPTIONS, ALWAYS SELECT THOSE THAT WOULD RESULT IN THE MOST AND LEAST INNER JOY OR SATISFACTION!** Generally, what is most like you is deeply fulfilling and not draining to you.

Study the four statements in each group. READ EACH WORD OF EACH STATEMENT CAREFULLY.

FIRST: Select the one statement that is generally least like you and circle the **L** in the Least column

SECOND: Select from the three remaining statements the one generally most like you and circle the **M** in the Most column

EXAMPLE: Each box must have one circled M, one circled L and two uncircled lines
